Au cœur d'un village percheron typique, venez découvrir un ensemble unique : l'ancien collège royal et militaire et son jardin, rachetés et restaurés par Stéphane Bern, accolés à l'impressionnante abbatale romane de Thiron-Gardais.

This is a detailed topographic map of the Thiron-Gardaïs area. The map shows the town of Thiron-Gardaïs, the lake of la Thironne, and surrounding villages like la Sauvagère and les Debrès. Key features include:

- Water Bodies:** The lake of la Thironne is a prominent blue feature on the left. A river, also named la Thironne, flows from the bottom left towards the center.
- Topography:** Contour lines indicate elevations, with labels for 250 and 240 meters.
- Infrastructure:** A network of roads is shown, including R DE L'ETANG, R DU COMMERCE, R DE LA GARE, and R DE LA PAIX. A railway line runs horizontally across the middle of the map.
- Buildings and Landmarks:** Numerous small brown rectangles represent buildings. Specific landmarks include the 'Mairie' (town hall), 'Poste' (post office), and 'Jard. bot.' (botanical garden).
- Orientation and Scale:** A compass rose is located in the top left corner. A scale bar at the bottom left indicates a distance of 100 meters.
- Map Source:** The bottom right corner includes the text 'Leaflet | Plan IGNV2 - Carte © IGN/Geoportail'.
